

## PRE-QUALIFICATION NOTICE

### REFINERY TURNAROUND, REVAMP AND INSTALLATION/CONSTRUCTION JOBS DOCUMENT NO. PQ/TA/1/17

PAK-ARAB REFINERY LTD. (PARCO) is a Joint Venture between the Government of Pakistan (60%) and the Emirate of Abu Dhabi (40%). As an integrated energy company, PARCO is a leading player in Pakistan's petroleum industry with major operations in oil refining, transportation, storage, and marketing. The Company has emerged as the strategic fuel supplier to the country.

Applications for Pre-qualification are invited from well established and financially sound national and international companies / contractors for "Refinery Turnaround including Revamp Modifications and Tie-ins of new units along with Construction/Installation of two licensor's supplied modular units and related facilities on Total Responsibility Basis". Companies/Contractors must have at least 5 years experience of providing similar services to industrial/commercial establishments like Oil Refineries, Fertilizer Plants, Petrochemical Plants, Large Processing Plants etc. Only those companies which are pre-qualified under this notice shall be invited for competitive bidding to provide services on Total Responsibility Basis for:

1. Forth-coming turnaround of Mid-Country Refinery (MCR) including Revamp modifications and tie-ins for new units.
2. Construction/installation of two licensor's supplied modular units and related facilities undertaking the works on total responsibility basis.

Above jobs are tentatively scheduled in first quarter of 2018 whereas pre-turnaround and construction activities of new units are scheduled to be started by second quarter of 2017. Companies/Contractors without a proven experience record of similar work need not apply.

Companies having required financial resources, equipment, manpower, and relevant experience may submit written request on Company's letterhead with a brief company profile and for local organizations copy of NTN, GST and PEC (Pakistan Engineering Council) Certificates, for obtaining free of cost Prequalification documents containing details of the services and instructions for submission of application for prequalification. Local agents/representatives of foreign companies and other such intermediaries shall not be issued prequalification documents unless a written authorization specific to these services on Company's letter head is submitted from the Principal Company along with a copy of NTN certificate of the local company.

Pre-qualification document may be obtained by mail / courier or by hand from the following offices between **0900 hours to 1230 hours** and **1400 hours to 1600 hours** from Monday through Friday from **January 2, 2017 to January 16, 2017**.
